“ I remember the 1st time I met Dustin. He was 4 years old and the happiest little boy I had ever met. His smile would make his whole face light up. He was shy at first but he eventually came around. I loved this little guy as a young boy and as a young adult. I wasn't present for most of young adult life but I doubt that his demeanor changed much. He was a loving, genuine, good young man. He was the light of his mama's eye's and that never waivered even after his sister was born. My deepest thoughts and prayers are for his remaining family. I pray God would grant them peace and give them the strength to carry on without their shining star, Dustin.

“ My name is Lori Eller and Dustin worked for us at Quality Tire & Auto Service. I really didn't get to know Dustin very well however.....EVERY time that I would stop in at the shop and if Dustin was working.....he would greet me with a smile and was always very cordial! Myself, my husband and all of us at Quality Tire simply cannot express our deepest, sincerest sympathy to you at this extremely difficult time! We do rejoice to know that Dustin IS in the presence of JESUS and we will see him again! We will continue to pray for you in the days and weeks to come as well as we will pray that the person(s) responsible for this horrible tragedy will be found and justice will be served. God Bless You all!
Fondly,
Lori
