“ So sorry to hear Marge has passed. She was my mom's good friend in Buena Vista and she and I continued to write for many years after my mother's passing. She was a bright spirit and I will miss her humor and friendship.

“ Sorry to hear that "Granny Bell" has gone! Shaner asked us if Kodak was going to have to close down now, since she won't be there to keep up with those photo albums!!

“ We knew and loved Marge when we were all at First Baptist Church in Vinita. I never saw Marge without a smile and her camera! She always had a positive word to say, an encouraging thought or smile - we cherished her! She will be missed, but is home forever. We will not say goodbye, but 'see you later', as we look forward to meeting up with her again when all of God's children are gathered together for all of eternity! Prayers will be with the family, as we know that she will be deeply missed!
