“ Bob was a true friend and a mentor when I was a young police officer. He taught me a many important lessons when he was working for the District Attorneys office many years ago. I credit him with making me a better police officer and criminal investigator. We were on opposing sides later on when he went back to private practice, but he always treated me professionally and continued to make sure I did my job the right way. Bob was always kind and caring to me and my wife, I will always remember him with respect and good memories of our friendship. My thoughts and prayers are with his family in this difficult time. Rest in peace Bob you will be missed.

“ I am so saddened by the passing of Bob.

For nearly 30 years I have had the pleasure of working with him at the courthouse when he was both a judge and an attorney. Bob was one-of-a-kind. He always kept his emotions close to the vest, but it was clear that he had a heart for the downtrodden. He fiercely advocated for his client's legal rights & protection.

His personality was endearing. Many of us at the courthouse called him “sunshine”. He would roll those big eyes and smile that ornery grin.

One thing that all of us knew is that his wife, kids & grandkids were his life! He would light up talking about his family.

The last time I remember seeing Bob was in our courtroom where he quietly sat in the back listening to his son, Jeff, present argument to the Court; I could see the pride all over his face.

The courthouse will not be the same without Bob's no nonsense approach. I will miss him greatly and I know that I'm not alone. My thoughts and prayers surround His wife, Donna, his children & grandchildren.
