“ I love this photograph of Ruth; looks just like her. She and Brad used to sit in front of my husband and me every week at church. They looked like such a devoted and happy couple. After the service, we'd enjoy a quick hug and conversation. Billy and I will miss them both, but will always remember them.

“ When I think of Ruth, I think of beauty, grace and big hugs! She and Brad were loving lights in our church for many years. Your mom always came up after the service gave me a hug, and told me how wonderful my solo was, whether that was true or not! I will miss seeing them snuggling in their pew, but know they have gone on together hand in hand. Much love to you and your family, Rebecca Richards First Church of Christ Science

“ Our home feels very empty without Our Ruth! She possessed a Very Loving, Caring, Compassionate and Youthful Spirit and we Miss her Dearly. Ruth first Blessed my life 29 years ago when I was first introduced to her by her Wonderful Son, my husband Darcy. She and her Love, Brad welcomed me into their lives and always treated like one of their own Children. God truly did Bless me and my family with two of the most Wonderful and Amazing people I've had the Pleasure of Knowing. Ruth and Brad are terribly missed and Heavens gain has left a Vacancy in Our lives. They will Live on in Our Hearts Forever. Ruth said on almost a daily basis that "We are in God's hands" I find Peace knowing she and the Love of her Life are in God's Home Now.

“ I often glance at the pew that Ruth and Brad occupied every Sunday and feel the love they radiated. Their sweetness blessed all that knew them.

“ Brad and Ruth Rose, my wonderful Uncle and Aunt. Though they lived across the country from me they were always there for me and we kept in touch on a regular basis. They took the place of my parents when they passed and always remembered birthdays, anniversaries and holidays, always making my family feel special and loved. I will miss hearing their voices and catching up on the phone. I wish I could have seen them both just one more time and felt the warm embrace they always gave me that bridged the long time we had been apart. Rest in peace and give my mom a big hug and a kiss for me. Love you both. Kevin Slattery

“ I can't say enough about my mother. She was the most wonderful woman in the world. I miss her and my father dearly. She was one that kept us together, she had to heard from me and my brother on a weekly or better basis. Always calling to let us know who's b-day or anniversary was coming up. God I miss hearing from her and dad.
