“ I moved in the neighborhood going on 3 years now., first thing I noticed was a little lady out in her flower bed just picking up somethings in her yard. , she had a hat on all the time while doing yard work. She waved at me and I of course I waved back so I went over and introduce myself and that's all it took we became freinds. Shirley always had a friendly smile . , we talk about our families and she tell me about her vacation trips she had with her son and his family. I believe she had a great family time with them.She Loved her family and grandkids very much. First time I volunteer to water her yard while Shirley went on vacation first thought was I hope I don't burn her flowers up or freindship might end. Haha Shirley going to be miss I know she isn't hurting any more she is at peace. In her families heart she always be there
God Bless all her family.

“ Shirley was such a thoughtful person. When my mother was ill, she would bring us food. We always enjoyed our time at Shirley's home and she was a great cook! My mother and I will miss traveling with Shirley. We had many good times together.
