“ Agnes was my sister in law . She was so good to Gene and I especially in the early days when we lived in Collinsville and Tulsa. We visited the family a lot and enjoyed our times so much. Sweet lady, great cook, excellent Mom and someone special I looked up to! We are proud to have been her friends and family.

“ I didn't ever get to meet Agnes, but I know she was a true earth angel based upon her loving daughter Sharon's comments she shared. I know she lived her family, friends & cat dearly. She was a very kind loving woman did made beautiful things with her hands just as her father God once did. I pray that the smile's, & comfort she shared continue to comfort those heart's that love her so much. May God bless you family & friends during this difficult time. May the presence of God be with each & everyone of you. God bless you.

“ I wish I could find the words to express how precious Agnes was to me. I am a pharmacy tech at Walmart Neighborhood pharmacy. She would make my day when she would come in to pick up her meds. That smile of hers.....so warm, loving, caring. I can't believe that she is gone, but I can tell you, she will forever be in my heart. Sending lots of prayers, love and hugs. Sharon Egleston

“ I am so sorry for the loss of your Mother. She raised an incredible family and children and grandchildren who adored her. Prayers for your family as you have to grief during such a crazy time in our nation. She is in no more pain and has a totally new working body dancing to the anthems of our heavenly Father.

“*Aunt Agnes was one of a kind. I remember her sewing clothes for my doll when I was young. Also going to the lake and camping out. I admit I am not a sleep in a tent person but it was great to be with family. She could look at clothing and then go home and make it without a pattern. The girls were always outfitted. She will forever be in my heart. Hope you had a good flight on angels-wings. Love you.*

*My mother was my rock in my life. She was always there no matter what situation I had gotten myself into. She stood by my side and told me things would get better when I felt all alone and no one cared and took up for me many times! She was definitely one "amazing" and "talented" lady! Her smile and wittiness was unlike anyone else I ever knew. She touched so many people's lives and was so strong, helping out even when she was sick or didn't feel like it. Mom, even though you have left this earth, I know you are still here. I see signs of you and feel your presence every day! I love you and miss you so much! My heart may be broken but I know your pain is gone and you are with dad now and happy dancing and singing with everyone - Your loving daughter, Sharon*
