“ Alan brought light to many of our lives, he always made everyone and anyone around him laugh & cackle at the jokes he made. He was one of the biggest parts of my life. From beginning to end, he was always there for me. Whether it was teaching me to catch a fish, having all the patience in the world to teach me how to drive, or simply just being a a phone call away to rant about my life. He always gave me the best advice & always tried to navigate me in the right direction. God knew what he was doing when he was placed in my life, and I will always be forever grateful & honored to have known Alan. He was the best father, grandfather, and husband no matter how hard we all were to deal with. I will hold the laughs & memories close to my heart forever. He was at times, my best friend and all the light he brought to my life, will be forever missed.
