October 17, 1939 - October 28, 2023

Alice Roberta "Bobbie" Lowder was born on October 17, 1939, in New York City, New York to Jake Samuel Carter and Roberta Alice (Deratany) Carter. She passed from this life on Saturday, October 28, 2023, in Owasso, Oklahoma at the age of 84. Bobbie was raised and educated in Green Cove Springs, Florida, where she graduated with the Clay High School Class of 1957. She moved to Oklahoma just after high school at the age of 17. Bobbie spent most of her working life as a legal secretary for different law offices in Tulsa, and also owned and managed her own apartment complex. She was a big Elvis Presley fan and a favorite memory of hers was attending one of his concerts. Bobbie was an avid and unwavering supporter of Oklahoma Sooner football. In her spare time, she enjoyed a variety of past times such as working jigsaw puzzles, crossword puzzles, playing card games, canning, and making the best fried okra and cinnamon apple sauce. Bobbie's faith in the Lord was very important to her and she left a legacy of God's love to her family. A highlight in her life was being "Nana Bobbie" to her two grandsons. She is survived by:

“ Bobbie was one of my best friends in school in Green Cove Springs. She came to my house for sleepovers. I lost touch with her after she moved away, but years later we reconnected. We called each other after reconnecting but I quit hearing from her a few years ago. I assumed at that time she must have been unable to correspond with me. I am so glad that her obituary was posted on facebook.Fond memories.....Betty Surrency

“ Even though Bobbie and I haven't been able to visit very much the past few years, we have remained best friends since 1957 when we first met. I was a legal secretary for a law office on the street floor of the Wright Building in downtown Tulsa, and Bobbie was a legal secretary for a law office on the second floor. We became best friends and even lived together a couple of times before each of us got married and went our separate ways and even after I was divorced. I have many, many happy memories of all the things we used to do - and I'll never forget the story she told me about the day she moved from Florida to Tulsa. Her Aunt Mickie (sp?) picked her up at the airport and decided to drive through downtown Tulsa so Bobbie could see it. Well, it just so happened that Tulsa was having a bicentennial parade that day - which of course included lots of covered wagons, cowboys, and Indians - all the things that Bobbie expected to see in Oklahoma. I think she was rather disappointed to learn that the parade was part of the bicentennial celebration and that Tulsa was a modern, progressive city. I could go on and on about our friendship and what it has meant to me, but I'll end by saying "I love you, Bobbie, and I thank you for being my friend."
