“ *I cannot share memories from Anita's later years but I can share from our childhood. I grew up with Anita, Diane and Sheila on Madison Place. Anita was more my sister and brother's friend. Diane was my friend. But on Madison Place we ALL hung out together most of the time...softball in their backyard, touch football in the Campbell's backyard and swimming in the pool my sister won in a Popsicle Pete contest. Playing in the empty field behind their house. Blanket forts on our clothesline separated into rooms for the girls and boys! We had so much fun growing up in that neighborhood. I hope you are at peace now Anita. I know you will be missed for sure. My condolences to your family.....Shirley (Haas) Cleveland*

“ I will miss you terribly, sweet Anita. God's love shown through you. I can smile knowing that you are in Jesus's arms now, but cry because I miss you so much. So thankful that I had the honor of knowing and sharing a part of life with you.

Praying to God our Father, who will give us peace and comfort, especially to Stephanie and the rest of the family. Love you!!

We have known and loved Anita for over 40 years through the Tulsa Roadsters car club and have had many good times together at rod runs and car club events. She was a true friend and will be missed greatly by all who knew and loved her. Glad she is at peace with Jesus now. Prayers for Stephanie and the rest of the family. Ken and Dianne Hackl

Dear Sweet Anita,

You were, and still are, the most beautiful, the most wonderful, the sweetest person who ever lived. You will be remembered and loved for as long as I have breath in my body.

Heaven is so lucky to have you. I am so heartbroken to have lost you.
