“ *'I am so sorry for the loss of Anne. She and I always hugged when we saw each other. She was so kind and so faithful. I saw her a few weeks ago during 10:30am mass and she turned to shake my hand during the sign of peace and expressed concern about missing an earlier mass that had been said for my Dad. She always knew about our family and was so nice to us all. I know you will miss this dear lady but I know she is reunited with her Lenard and her Lord. Prayers for peace and comfort for the family. I will miss this wonderful lady.'*

“ *'I miss my Mom so much already! I think of something and my first thought is that I need to call Mom to tell her about that... Or I get home from driving somewhere and think I need to let Mom know I made it back safely... (she always wanted me to let her know when I got back home...It's a Mom thing...)*
ACKTHORN 14100Only now I can't just pick up the phone and call her anymore... But I do know she and Dad are so happy to be together again now!! She missed him all the time! For that reason alone, I am genuinely at peace with her passing. I love you Mom and Dad!!!

“ I first met Anne at St. Henry's at Mass in August of 1982. I was pregnant with my 4th child and this lady patted me on the knee in church and said "you are new, where are you from, do you have family here, and when is your baby due?" We came that summer from TX and no we had no family here. She told me if I needed anything to call and she would be glad to help and gave me her phone number. My parents lived in AR and they had been here 11 days waiting on Kerry to be born and went back to AR and that afternoon I went into labor and yes, I called Anne. Anne and Leonard kept all three of our children overnight and took the older two to school the next day and kept the two and one-half year old that day at their home. That is what kind of people Anne and Leonard were; always helpful, doing for others, always doing for the church. They don't come any finer. The two of you will always hold a special place in our hearts. We love you both. Patty, Roger, and Donna, our sincere condolen'
