“ I was lucky to be Tony's aunt and able to be around ... as Tony grew up. His auto accident changed his life at such a young age. Denise took such good care of Tony, along with Granma Toodle and others. We all learned Tony's favorite word! ... Toodle and I had a number of adventures visiting Tony in Cherokee and Enid.

Prayers for Peace and comfort for Tony

and all of those who Love him ~ ♡

Love You, Craig & Susan Chapman

“ I will miss Tony, even though we were miles apart in distance. Due to my husband's health problems, and, my many accidents and hospitalizations, I was unable to visit Tony the last few years of his life. I did visit him when he was in Tulsa, and, we had a lot of fun. I kept in touch with Tony over the years, sending him cards, etc., I tried not to forget any holidays. Tony was special - he had a zest for life, and, tried to live it as well as he could. He loved his motorcycle and, took many trips which he enjoyed. Tony's grandmother, Bobanna Reeder was my sister. His mother was my oldest niece - Bobanna's daughter-Denise. His maternal family was THE BEST, and, unfortunateluy, they had a lot of sadness, trauma, tribulations in their young lives. Tony indured a lot in his short life, and, missed out on sooo much. I hope he knows he was loved by many people- and, I hope he is in Heaven looking down on those who always remembered him and loved him.. I wish I had given him more hugs and, kisses when I did see him, but I did try to convey that in my cards . I am sorry, Tony, that I did not spend more time with you, but you were always in my heart and on my mind, and, in my prayers. As we know, life isn't always fair, and, I wish we could have shared more about our lives with each other. I will never forget you Tony. RIP my dear great nephew. ALWAYS IN MY PRAYERS. LOVE: AUNT BARBARA CRAWLEY AND FAMILY (UNCLE BUTCH, MIKE KATCHER AND FAMILY, DR. KELLY KATCHER AND FAMILY, RALPH CRAWLEY AND, FAMILY)

“ Tony loved the outdoors. Tony was my oldest son and loved life to its fullest until the automobile accident left him needing care 24 hours a day. His mom, Denise Eileen Clairday, was there to make sure Tony was cared for, until she passed away on March 29, 2016. She loved you very much! I give all my gratitude to his Aunt Angela and Uncle Wayne for watching over you and the many who cared for him afterwards. Tony’s three brothers, Chris, Ron and Tom will miss him.
