“ ‘Tony doesn”t know it but he was my mentor. I will miss him greatly. I own Discount Garage Door and Tony was a big part of our business. I will miss coming in and sitting in his crows nest office next to the heater and talking for hours. I loved sitting and listening to him because I always learned something. I respect him and will miss him. He always greeted me at the top of the stairs with "Come on in brother". I pray I am as accomplished and respected as Tony when I leave this world. Thank you Tony. Goodbye bub. ’
