“ Some people come into our lives and in just a short time leave a lasting impression on us. Mrs. Audrey (& her husband) was just such a person. My mom and I met Mrs. Audrey and her husband at the dialysis clinic where she and my mom went. She had a special quality about her that just drew you to her. She always was smiling and seemed to me to be a gentle soul. My heart hurts knowing she is gone and that I won't be seeing her and her husband at the clinic anymore. All of the family, especially her husband and twin sister, are in my and my mom's prayers and will continue to be in the days and weeks ahead. I know that the loss of such a special lady will be most difficult for all who loved her. We won't forget her. -- Dorothy Jones (& Hazel Sanders)
