“ Diane said we had a very good run! That was one of the last things she said to me. For a little person she had a big heart. She never had a bad word to say about anybody. Kind, considerate and intelligent. I loved her very much and wish we had more time. Pretty good little pool shark! I'm going to miss hearing about all of her travels. I'd hug her in the mornings after she would tell me about her bad dreams and tell her it's gonna be alright. I am grateful for the time that I had with you and I'm gonna miss you HONEY I LOVE YOU - Bill
