“ Bobby was always one of my favorite cousins. He always had a smile on his face and a big (loud) laugh to share with all of us. I have fond memories of him fishing with my Dad and visiting his country folks. My love to Rosemary, their family and all of my Laudett cousins.

“ If you went to Catoosa Schools in the 1960s, you had a good chance of having a Laudett in your class. The class of 1966 had Janice. She was like Bobby in that she always had a huge smile and loud laugh. She, like most of them, had strong musical talent. This photo of Bobby is him in a nutshell. I loved seeing him, and like someone already said, his hugs were good, big hugs!

There is no doubt where Bobby is now; he's with Jesus, his parents and sister Janice. Heaven has been made even more joyful!

Donna, Billy, Sue & Tammy, you are in my thoughts and prayers for strength and peace. I do know how bad it hurts. Cherish each other

“ My relationship with Bob was at the Tulsa Gun Club, I have know him for years, what a great guy and friend. I always looked forward to seeing him happy, smiling, personality. He was so kind to my daughter, Erica, who also worked with Bob at the Club and he was like a grandpa to my grandson Gavin. Gavin always looked forward to a big hug from Bob. On our way to the Club he'd ask “think Bob will be there?” What a prince of a guy, he will be missed so much.
