November 28, 1949 – October 7, 2025

Bruce Edward Crawford, 75, of Owasso, Oklahoma, passed away peacefully on October 7, 2025. He was born at Fort Dix Army Base in New Jersey and raised in Tulsa, Oklahoma, the oldest of five children to Billy and Mary Crawford.

A graduate of McLain High School (1969), Bruce began his career as a meter reader with Oklahoma Natural Gas Company (ONG), working his way into management over a 37-year career. He later worked with EGW Utilities and Fire Watch and was credited on several patents for his inventive thinking.

Bruce was known for his kindness, work ethic, and strong family values. He loved camping and boating at the lake, motorcycle rides, and traveling with friends. He never met a stranger and could always be counted on for advice — especially by his many nieces, nephews, friends, and coworkers. Most of all, Bruce cherished time with his grandchildren and great-grandchildren.

He is survived by his wife, Dorothy Crawford; children Lisa Crawford, Tracy Ray (Kevin), Kevin Kidd (Debbie), and Brian Kidd (Brooke); siblings Brady Crawford and Linda Kaiser (Bill); grandchildren Chelsea Crawford, Kyler Ray (Laci), Kassie Crawford (Jonah), Hunter Bruce Crawford (Paige), Kaed Ray,

“ Bruce was loved by all of us. I have fond memories as a child of him being the person who was serious and watched over all of us making sure we stayed out of trouble (didn't always work). My fondest childhood memories were eating spaghetti and meatballs cooked by my Aunt Mary. Much love to my Crawford Cousins...Bruce was a great man, and lived a life of honor. Love. “ My heart aches with the loss of Bruce, a man who made a remarkable impact on so many lives. He truly was a "Top Shelf" individual—someone whose character and spirit stood above the rest. He was such a wonderful husband to Dorothy, and as a family member, he was always helpful, approachable, and willing to offer advice when asked, making every gathering warmer and more meaningful. Bruce possessed a youthful, adventurous heart regardless of his age. He loved boating & 4-wheeling, and I was fortunate to join him in these activities many times over the years. I always felt secure with Bruce leading the way, especially when he would caution me, saying, “That’s probably not a good idea” during moments when I was being risky & stupid. His presence brought a sense of safety and reassurance to every adventure. Bruce’s creative talents were truly admirable. He had an uncanny ability to fix or build anything, a skill I deeply admired and envied. His ingenuity and resourcefulness left a lasting impression on me and everyone who knew him. If you ever got the pleasure of visiting their cabin on Grand Lake, you know what I mean! Bruce will be missed dearly. Although I regret not seeing him recently, his unforgettable personality and kindness will remain with me always. I take comfort in the thought that Heaven has gained someone truly special—Bruce will surely keep things running smoothly up there. Much love to you, Bruce. Your legacy lives on in the hearts of all who knew you. Much Love Dana Bell
