“*'Something was said at Bryan"s service this morning about him being a friend to everyone. That really touched my heart, because I was one of the shy kids. Bryan always had a sweet smile, and a kind word for me. I am still one of the shy kids. I came to his service, sat on the back row, and left quickly at the end of the service. I just wanted to say goodbye to the sweet guy that always made me smile. Thank you, my friend....til we meet again.'*

“*'I will always hold fond memories of Bryan, not just from going to Owasso schools together but in our adult lives also, we shopped at Snows just because of Bryan, he treated my girls like they were part of his family, I delivered his mail for awhile and enjoyed our visits. RIP my friend until we meet again. Love Carol. '*
