“ My dear work BFF of 20+ years, I am heart broken but celebrate the life you lived. You were an amazing mom, wife and friend. You were selfless and always put others first. All the travel we did, work projects we executed were great but our life discussions were my favorite because you were always authentic. Rest in peace Carla and know you made a difference in all the lives you touched. Love you my friend-Jeff P.

“ Praying that the Peace of God, that surpasses all understanding, will keep the Preston family during this difficult time. I will forever cherish the memories of the amazing work we accomplished, and I now understand the message of love, hope and support I received from you, seemingly out of the blue, earlier this year. May your soul Rest in Peace, Carla!
