“ My beautiful, sweet Momma was the most kind and precious person I have ever known. She had a heart full of love to share with anyone. She was also very funny and while we will be remembering her, we will not be able to help but laugh because with her, there was always so much laughter! Thank you for that, Momma! Thank you for everything!

“ i know that there is another star in the nights sky, because where else would her smile and the glow from those beautiful eyes go? Charlotte's love of family and friends overflowed and showered all those around her. I will miss her every day for the rest of my life because I could always count on her when I needed a hug, a smile, a laugh or just to hear a kind and loving voice. My life was better and sweeter for having her as my friend and sister. Debby
