“ I worked with Chris for several years. He helped me navigate many contracts, and was always willing to go above and beyond to help. He taught me things about the legal aspect of contracts that have helped me throughout my career. One of the friendliest people I ever worked with. He will be missed.

“ Angie and family-You all are in my heart, thoughts and prayers. I count myself lucky to have been Chris's friend. He was such a great guy who accomplished so much in his young life. We shared many laughs and good times over the years. He was one of the good ones-hard working and successful but he also enjoyed his life and his family and his friends. RIP my good friend.

Love,

Larry Jefferson

“ *We have many many great memories with and around Chris He impressed us with genuine relaxed manner and openness with adults. Fun times at our house, the lake and events. Best car ever which we believed moved solely on the basis of sound was generated by a number of speakers which barely fit in the car and were powered by a massive amp. Shame the car engine occasionally might not have sufficient power to run. Love to the family. From the Trots. You are special to us.*

“ *My heart has been heavy since hearing of Chris's passing. I worked with Chris at HireRight for several years. Always a gentleman, intelligent, professional and a great co-worker. His smile was infectious. His work ethic above reproach. I loved following his facebook posts; all the concerts he attended with Angie, his pride as his beautiful children participated in their chosen activities. He was taken way too soon, but the legacy he left, his positive impact on so many people, will not be forgotten. Praying for his family, I can't even imagine.*

“ *Chris was our sponsor for professional team in Tulsa, he was the most polite soft spoken leader that I have worked with in many years. He had a great knack for taking negative comments of others and rephrasing it in a positive manner. He will be truly missed. My thoughts and prayers are with his family. * Ellen Davis*
