“ Thank you for trusting us enough to care for Miss Connie. She was very sweet, kind and her laugh fill me with joy. Though she wasn't with us very long she was family and we loved her. Rest well and safe travels Miss Connie. You're resting with Jesus.

“ I have blessed to have had such a great and wonderful aunt in Connie she was a special Mother to her children. I can see amazing job she did raising her children up in the Lord. And seeing them not depart from the way of the Lord in their lives have shown it. He truly love her late husband Melvin i could see it in her eyes and in her voice as she speak of him. The power of my mother's prayer for her we're clearly manifest in her last days. As Lord strengthen her heart. Her love for her family was clearly evident. See especially love when I sing worship songs in her presence and over the phone you can see the joy it brought to her soul. She was a powerful prayer in the spirit and the understanding. Oh what a joy to know she is in the presence of our heavenly father. Thank the Lord for the life of my precious Aunt Connie. BW.
