“ *'Corey, you were more than a friend, you were my brother. I worked beside you and learned so much as a DJ along side toy at Red Dirt. I think about you every day and will always remember the great times we had together in the DJ both, or out riding motorcycles, or just sitting around chilling and talking! I love you my brother. Oh what I would do just to have one of your hugs right now. You will always be in my heart, my thoughts, and my prayers! '*
