“ *Uncle Dale was such a fun guy to be with. He loved joking around and kidding people. I loved when he came to California and stayed at my house for his class reunion and other times he and Karen visited us. I will miss his mischievous ways for sure. RIP Uncle Dale.*

“ Dale and I had a very special bond When he was little, he was Baby Dale. I was the baby girl. When the twins came along, they knocked us off of our pedestal.

When I was ready to deliver my daughter Terry, I could find no one to watch the other 2 children. I finally located Dale and I had him go and watch them while we went to the hospital. Ever since then, he has been Godfather to Terry.

Dale was always the most considerate brother a person could have. We loved him very much.

Jack and I loved to go eat at a restaurant with Dale and Karen. Love and hugs to the whole family from us.

“ My latest memory of my brother Dale was on 10/26/22-10/27/22. I went to visit him at the Veteran's Center. We had lunch together which consisted of a bowl of potato soup and a ham sandwich. We had his favorite drink which I would call a Sprite After lunch we went outside and it was a beautiful day. So I pushed him around the pond and we saw all the ducks that inhabit the pond and they put on a show for us. We took pictures and they are so special now. He was very happy that day. Dale was #8 and I was #10 in our family of 10 children. We went back the next morning after celebrating Karen's birthday with our niece Wanda. We weren't hungry but we visited while Dale ate his lunch. Around the pond again we go but this I'm much better at maneuvering the push chair. ALL I can say is God's timing is perfect!! I must mention how much I appreciate Karen and all she did for Dale. She was a blessing to him and to us. God has taken you out of your earthly body and taken you home to Him. May God bring comfort to your family Karen. Sending our LOVE. Ethel and family.
