“ *I remember growing up with Danny during our high school and college years. He always had a grin and I welcomed the conversations we had when we got to see each other. My fondest memories were of the poker games we had at his home on Saturday nights. We would convene around 10 PM and play until daylight on Sunday mornings. His father Clayton was part of the mix and he would always host us for breakfast and the hottest peppers on earth! Many of our party's "penny" gamblers referred to Danny as Clayton and I always addressed him as Clayton Jr.! I last visited with Danny on January 13, 2018 in Tulsa at the TU/OSU basketball game. We were on opposite sides of the fence and I left victorious after the OSU 72/69 win. i will miss you Danny and our prayers are for your family going forward. I have lost a true friend.....Jack Graham*
