“*'Today I say my good-byes to my brother and best friend and lost another piece of my heart. I miss you so much. I miss our talks, your jokes and your love for life and family. I miss our fights growing up, your dart in the front yard and mom and dad wanting to drive it. I miss you being here for me when I need someone to talk to like I do at this moment. I don't know what I'm going to do with out you. I am so happy that you are no longer in pain, and can finally do the things you have been longing to do. I now have 3 angels looking after me. I know you will never be far from Angie, Billy, Alisha, Mom and myself, but you will always be in heart. Thank you for being the best big brother a little sister could have. I love you so much. Until we meet again. Your little sister '*

The first is a beautiful little princess that has touched, changed , and enhanced both our lives. Two. Was this white van he bought from a good friend of mine. One thing for sure is that we will will both always be there for you. One in heart and spirit and one in hand and heart.
