“ *' David was my Best friend in High School...We used to hang out in Tulsa, across from Tulsa University at a string of houses that are now torn down , .. We would climb the fence of the stadium and sit up on the bleachers looking at the stars and dreaming of the future. We were good kids.. We just loved Freedom...and we would hang out all night...6th street Tulsa, Club Nitro, and other places around the city...and then cruise back in my Dodge Charger listening to White Snake as loud as it could go.. Or if we were in Davids car.. most of the time i"d be half asleep as he drove me back home.. But we had good times.. Good times. I find it odd, as i had just come back home (Owasso).. from Philadelphia where i"d been living for the past 14 years... and to see his name in the paper.. I wanted to come and visit but was afraid i would break down at the sight of seeing my friend .. after all these years.. David was a good guy. I loved him. He was my Brother.. Even though we"d been out of touch a'*

“ *'Uncle Mike & Ryan: My heart is heavy with sorrow. I wish I could give you both a giant hug. As soon as I heard the news I found my favorite "David & Ryan pictures" from our visits to Oklahoma and your visits to Wisconsin. They are special memories I'll always treasure. My husband Dean looked at a photo of me, David and Ryan from 1982 and he said that we looked similar. I said if I had a brother he'd look like David. We love you and I will miss David. Amber, I've heard wonderful things about you and the kids and I know you were the light of his life. Thank you for loving my cousin well. He was and is a special man of God. Dean and I will be praying for the service tomorrow and in the coming months for comfort, inner strength and peace. With much love, "Cousin" Tanya'*
