“ *We are going to miss you so much. You have touched our lives in so many ways. We will miss your laughter and your jokes. You fought a hard fight. Now it's time to enjoy all that God promised you because you are his child. We love you!*

“ *Already, I miss my big brother's hug, his ornery smile, his stories, his teasing. So many things I begin to write; but words don't suffice to convey the gratitude for the time we had, nor to express the anguish over the loss for each of us. God is faithful, though; and He keeps His promises. One day, that hug, that grin, the laughter will be enjoyed again - but stronger, fuller, and more joyous than we might imagine!*
