“*Dave was such an awesome guy. I worked with him for many, many years. He would always see me in the hall and draw his finger pistols and act like we were in a shootout every day! Made me laugh...every time. Just seeing his smiling face would make my day. He was kind and cared about all of his people. Im praying for your family during this difficult and sad time.*

“*Lots of memories come flooding back ... from high school to the golf course to talking trash over a beer. Fly with the angels, Dave. You'll be missed by so many.*

“*Dave was my second boss at Amerian Airlines. Everyone wanted to work under Dave. I was so lucky to have that pleasure. He made a point to go by everyone's office (not checking to see if we were working...Ha) to just say Hi and see if we were o.k. and if bad weather was coming..Go Home. If we were working late on a project. Pizza!!! There are many more stories that I will treasure.*

*I have been praying for Dave and now he is at peace. I'm praying for comfort for his family.*

“*Dave was truly the best boss anyone could have! He did so much for his employees that was so kind. I remember him sitting in his car and it would be bad weather, snow or rain or even icy, somehow he knew everyone's car and he would see people drive in and he would see where you parked and he would pick you up and drive you to the front door. That is only one thing he would do for us. I was blessed to have known him!*❤️
