“ *So sorry for the loss of Denny. I remember as a child all the fun times we had playing together in Cherryvale when the Loaders came to visit the Moslers. We'd go to the park or woods for adventures. I remember Denny making potato salad for us once. With eggs and relish! I also remember going skiing with him too, and recently visiting at our reunions, and visiting his "man cave " at home. I only have fond memories of Denny, and know he will be deeply missed.
