“ My sisters and I lived in the same carport as the Strattons on GAFB. We hung out with Mike and Dewayne and we had so much fun swimming, going to the base movie theater, playing Red Rover, participating in water balloon battles and ringing doorbells. My friend Monica and I took the guys horseback riding and they were always so much fun. Those were the days before cell phones where kids played outside all day and came home for lunch and dinner. I am sorry to read that both of these funny, fun loving and handsome boys died way too soon. Deb, Karen, Susan, and Mary Eacmen.
