“ It breaks my heart to come across this as she crossed my mind and I searched her name. I was one of those foster children she opened her home up to 20 years ago. She was an amazing woman who I'm sure is very missed. I know she is walking with Jesus ❤️

“ *Diana and became fast friends after the death of my husband. She lived across the street from my mom. We were each other's support and spent a lot of time dealing with every living. We laughed a lot together and cried about things together. I will miss her dearly as she was part of my morning routine. We checked on each other every morning to make we were okay. I personally know how much she loved her family and especially her grand babies. We were always able to make each other laugh about something before saying goodbye.*

*R.I.P. my dear friend I'll never forget you!
I loved you like a sister.*
