“ *We moved to Owasso on June 9th, 1987, and shortly after that we got to meet Dr. Dunaway on a Sunday when our daughter fell out of the back of the pickup, after being warned to stay out of the back several times, and split her head open. We called around and were told to contact Dr. Dunaway. He left the comfort of his home that day and he stitched her up. We were sold on him to be our family doctor. He was the kindest person and Doctor. We missed him dearly after he had to give up his practice, but he was always being brought up in conversations when we spoke of medical care. I am sure our family will remember him as long as we live. God bless Dr. Dunaway.*

“ For many years of my youth, I had seen Dr. Dunaway on a weekly basis. The treasure chest of toys always marked the end of our time together. His compassion and friendly smile will always be embedded in my memories.

“ *Beverley-*

I want you to know how much I enjoyed Dr. Dunaway and you when you both participated in my stroke group at The University of Tulsa. I have very fond memories of that time. Please know that you and all of your family are in my thoughts and prayers.

“ *My parents, John and Elsie Kaiser were patients of Dr Dunaway and they thought the world of him. He was the only doctor that my dad felt comfortable with because Dr Dunaway would talk to dad in his office and he would put his cowboy boots on his desk and talk with him like a friend. My parents were heart broken when Dr Dunaway had to stop practicing because of his own health issues. I'm believing they are all together now and catching up and Dr Dunaway has on his cowboy boots and will sit down with them and talk with them like he did all those years ago. You are in my thoughts and prayers, God is the Great Comforter, Kathryn Taylor*
