“ Don was such a great friend and so very devoted to his family and wife, Joan. He was a friend to anyone and would do anything he could to help others. I loved his little side grin when something pleased him. He loved Shelby and Scott and was always bragging on them. I know for certain Don had a deep faith and is very much at peace with those that went before him. May GOD bless both Don and Joan as they hold our place for others that will join them in time. RIP Don!
