“*'Dodie, some of my earliest memories in life are of you rocking and singing to me. We are lucky to have a second Mom/Grandma in you. The love you had for all of your family is so apparent. That's why I'm so happy for you to be reunited with your babies, husband, sister, niece and great nephew. It gives me strength to feel I will see all of you again. I will love you until the day I leave this earth to join you.*
