“ Earl is one amazing man! I had the honor of getting to work with him and even more of a blessing in my life to call him my dear "friend". He will be greatly missed here on earth, but I know he is in Heaven and what an amazing place he is getting to be a part of! I am honored I got to talk and pray with him on the phone when he sent that first post out on FB, I know it was a God thing, Gods perfect timing. I will cherish that prayer we prayed and that talk, I know it moved mountains here on earth. He is going to be so missed here, but we shall all see him again, that is God's promise. This isn't the end, he just changed zip codes for the moment. What a great thing to know he loved God and belonged to Him, the great I Am, the one who loves him more than any of us ever could. I thank God that he placed Earl in my path years ago, what an awesome man to have known and call my friend. Love you Earl! We shall see one another again, and what an amazing day that will be for all of us to celebrate together. Chanin Cutsinger
