“ *'Dee became my uncle when I was days shy of 5 years old. I remember Mama telling me about her sister my favorite aunt Gazelle getting married. I adored Dee the first time I met him. He was a joyous addition to our family. He was as hilarious as any stand-up comedian and made every person he was talking to feel as if they were the most special person he knew. Uncle Dee was one of the building blocks of my life who made me feel like life was safe, secure and wonderful. I loved him til the day he died and will love him til the day I do. Love forever Uncle Dee. I've got your flashlight.\n'*

“ *'I loved my great Uncle Dee and always enjoyed being around him. His playful teasing and laughing were infectious. He truly loved the Lord and loved his family and life. He was always a joy to be around. Such an inspiration he was to me as a Christian and to love the Lord. I'm so glad I got to play music for him on December 13th and hopefully we brightened his day. I know he brightened mine. Praying for the family. I love you all and Uncle Dee. I'll catch up to him someday when I get to heaven. I can only imagine the joy on his face now in God's presence. '*
