“ ‘It is with a sad heart that I write these words. Eldon and I worked together for many years during and after retirement. He was a man "for the people". And no one worked harder. Whether keeping the kitchen running at the retiree's dinner or working in the sign shop or picking up this stranded motorist in a downpour of rain. When I looked up and saw Eldon I was not surprised. Seems like he was always there when needed. Eldon came to my rescue many times of car trouble and let me borrow his friend and mechanic Roger. I know the heavens were singing on Eldon's arrival. It is my hope that we can be of service like Eldon. He will be sorely missed.’

“*'The Broyles family will miss Eldon so much. He was a good friend and family man. Most important was how he made our mother feel so special with his weekly visits right up until her passing. What a reunion they will have. God has taken another angel from us but not for long for we shall meet again! Eldon we love you.'*

“*'I am so saddened to learn of Eldon's passing. He and his family showed me so much compassion after the death of my husband, George. I have never forgotten. One day Eldon flagged me down on highway 169 and asked me if I knew I had a flat tire. He hopped out of his truck , had the spare on, and me back on the road in no time at all. I was so thankful Eldon was behind me! And he watched my house for me when I was gone to see if anything was abnormal. A couple of times he called to make sure it was me in the house and if I was OK. I always felt better knowing he and Elsie were across the road watching out for me. Eldon was a great neighbor for the 26 years I lived out there. I am so sorry. My deepest sympathy to all of the family. May God Bless you.'*
