“*Jalanna, my dad, Paul, was one of your mom's table mates and ornery old guy at Village on the Park. I remember meeting you a few times, we are so sorry for your loss, dad has really missed her so I was doing a little research for him. We loved your mom, she lit up the room when she came in and made everyone feel welcomed. She made dad feel at home from the first meal he ate with her. Again, we are extremely sorry for your loss and praying for peace, strength & comfort.*
