

Elizabeth Ann Unruh

October 12, 1951 - December 17, 2022

Elizabeth Ann Unruh passed from this life, surrounded by the ones she loved, on December 17, 2022 after a courageous battle with cancer. She was a loving mother to 5 children who will very confidently say, “Best mother ever.” To know her was to love her, and while she will be missed dearly, she left behind a legacy of memories, loyalty and unconditional love that will always be cherished.

Elizabeth was born on October 12, 1951, in Amarillo, Texas to George Killian and Marguerite (Arnold) Killian. She was raised and educated in Amarillo, Texas and graduated with the Palo Duro High School Class of 1969. While her main focus in life was always family, she also worked as a Nurse’s Aide at Randall High School in Amarillo for over 15 years. She was an avid sports fan and enjoyed cheering on her kids as well as her favorite college basketball and football teams. She cared deeply for animals and spent time helping dog rescue shelters. In her spare time, Elizabeth enjoyed being outdoors, hiking, watching tv shows about Big Foot and aliens and the unmatched adrenaline of strolling down the clearance aisles at Target. But most of all, she loved spending time with her children and grandchildren.

Those she leaves behind include 5 Children;

Carrie Porter and husband Bill of Lockhart, Tx. Justin Tarr of Austin, Tx. Beau Unruh and wife Flower Cole of Los Angeles, CA. Dixie Jacobs and husband Chad of Owasso, Ok. Joni Myres and husband Dameon of Aledo, Tx.

9 Grandchildren;

Sydney Jackson, Leizl Porter, Will Porter, Annie Porter, Breslyn Jacobs, Copeland Jacobs, Cutter Jacobs, Leighton Myres, and Cooper Myres.

And a loving network of friends with whom she shared unforgettable moments.

She was preceded in death by her parents George and Marguerite.

In lieu of Flowers, the family requests that you make a donation to St. Judes or the American Cancer Society.

“ Not sure what your Mom told you about High School and Jr High, but we were very close and took turns staying at each others homes on a daily basis, even on School nights. She was instrumental in my dating the man I married almost 53 years ago, Murray King. We had a friendship that ill cherish my whole life. At graduation she was lined up next to Murray alphabetically. She hated high school ending and cried during most of it. Murray had to help her out of the Civic Center. She had so many friends she couldn't bear not seeing every day. We live in Bixby, OK and had discussed getting together when she was in Owasso, but that never worked out. She never told me she was sick but only communicated through FB. My heart was broken when you posted about her passing. I wish grieving was not so hard to do but I'm very thankful for what you have put into words here. I will always remember Oct 12th, its been in my heart for close to 60 years, and I will celebrate her memory and the day we will see her again.

Love to you and your Family
