

Freddie "Fred" Arthur Walker

August 22, 1940 - January 5, 2025

Freddie (Fred) Arthur Walker was born on August 22, 1940, in Tulsa, Oklahoma to Arthur Charles Walker and Betty Lou (Irish-Turner) Walker. He passed from this life on Monday, January 5, 2025, in Oklahoma City, Oklahoma at the age of 84 years.

Fred grew up in the Tulsa area and graduated with the Berryhill High School Class of 1958. He proudly served in the US Army as a reservist for six years. Fred married Sandra Sue Fiehler and they gave life to two children (Tanya and Jeff) who then gave him many grandchildren and great-grandchildren which made him very proud.

Fred's career always revolved around sales and he was very successful at it. Whether it was Safeway, Warehouse Market, Milnot, Hillbilly BBQ or Award Foods, he was always in a management position because of his experience, knowledge, ability to build relationships and extremely strong work ethic. In Fred's retirement years, he bought a small farm and raised Emu and trophy deer. Like his other endeavors, he was committed to excellence and his deer business flourished for many years.

In addition to serving his country in the Army, Fred served his community in many ways throughout the years. Whether formally through his many years of involvement with the Tulsa Sertoma Club or informally through his acts of support and kindness to his family and friends, Fred's kindness, compassion and concern for others was foremost in his mind.

Fred was passionate about many things in addition to his family. He was a big

sports fan who followed OU women's softball, NASCAR and the OKC Thunder. He collected many things throughout the years but his Michael Jordan memorabilia and trading card collection was by far his favorite. Fred loved skiing in the Rocky Mountains, throwing memorable holiday parties for his family, putting together a huge jigsaw puzzle and enjoying a really good meal. His other greatest passion later in life was the fellowship, food and dominoes he shared with his friends at Asher Point in Bartlesville, the Claremore Senior Citizens Center and the Oologah Senior Citizens Club.

“ I remember going on a fun and amazing ski trip to CO with him, Diane, and Jeff when I was just 16-yrs old! I remember taking my son, Cameron to one of Fred’s famous Halloween parties he would host on his farm. Fred was always such a beam of light, a beam of happiness, and a ball of good fun! He would always ask you, “how you doin’ sis?” and really listened. I remember Thanksgiving gatherings where prayer was always so important to him, as well as his entire family. He will be greatly missed by those who loved him.

I remember meeting Grandpa Fred when I was real young, I was a bonus Grandkid for him and I never felt like I wasn't part of the family. I remember thinking he was funny and silly for a Grandpa, looking back I know he was letting me know I was loved immediately I am extremely grateful for getting to know and love him. I hope I can one day bring people smiles to everyone like he did. He is already missed. We LOVE you G-PA FRED!
