“ Fred was my friend. I loved playing with him at jams in Skiatook and at the Brookdale Senior Living center in Owasso for the residents there. He was very patient, considerate, and encouraging to new musicians. Fred didn't mind playing bass if he thought that's what was needed for the occasion, even when I'm sure he would have preferred to play guitar. I already miss him.

“ I have many fond memories of Fred as a young man. Fred, Tom and his father my Uncle Hod, would go hunting in the hills of Martins Ferry. My other Uncle Hank would go as well. We had many reunions at Uncle Hods house on Colerain Pike, the Tobins, Risers, Cusicks, Hilton and others. Fred and I were like brothers and I regret not keeping in touch with him and his family throughout all these years. May you Rest In Peace, Vernon (Sonny) Riser and Wife Jackie Riser

“ My first memories of my Uncle Fred are of him coming to our house on his motorcycle when I was just a tot. It was always so exciting for my brothers and I. We knew that the fun had just arrived. One of my last memories of my Uncle Fred was at his sister's (Aunt Nini's) house when we gathered for her funeral and where he played and sang "Over The Rainbow". It was beautiful - so touching and soulful. A moment that nobody there will ever forget. His courage to live life on his own terms has always been and will continue to be his legacy to me. Deb, Kelly and your families.. I am so very sorry. I know you will miss him tremendously.
