“ Grandpa, you saved me from my father. You became my new dad. You always wanted to talk, watch the news together, and show me your garden. You paid for my apartment so I wasn't sleeping in my car anymore. You took care of me, I enjoyed taking care of you before you were murdered. I am so sorry the state couldn't help. We love you so much, your family misses you so much. I am so sorry for what happened to you.
