

Gregory Joseph McCall

September 13, 1956 - September 30, 2020

Gregory Joseph McCall passed away on September 30th, 2020 at his home in Sperry, OK at the age of 64. Greg was born in Kinsley, KS on September 13, 1956 to Ralph and Betty Mae McCall. He is preceded in death by his parents and his grandparents: Ed and Mary Droste; and Ernie and Eleanor McCall. He is survived by his wife, Kim McCall of Sperry; daughter Kayla Williams and son-in-law Eric of Owasso, OK; son Kyle McCall and daughter-in-law Sarah of Jones, OK; son Kevin McCall and daughter-in-law Karin of Stillwater, OK; and his two brothers Brad McCall and Gary McCall and one sister Kathy Ankle. Greg was the proud grandpa of Brooklyn, Avery and Easton Williams of Owasso; Jakob and Savannah McCall of Jones; and Tyler, Brooke and Willis Gibson of Stillwater. Greg was an avid fisherman and hunter who was happiest when spending time with his family and friends. He was also a passionate Green Bay Packers fan who spent many Sundays on the frozen tundra or in front of a TV watching his favorite team. He enjoyed being outside, ordering new gadgets and making things with his hands. Greg had a contagious laugh; an infamous sigh and a bright smile that earned him friends wherever he went and ensured we always had someone to poke fun at...of which nobody was immune from his ornery sense of humor and playful jabs. Everyone knew they better come ready for a battle of wits when Greg was around!

Greg grew up in southwestern Kansas and graduated from Spearville High School in 1974 before marrying the love of his life, Kimberly Ann Shafer on May 21st, 1977. Greg graduated from Northwest Kansas Technical School in 1980 and then began his 37-year telecommunications career in the oil and gas industry. His career led him out of Kansas and into a life of different adventures with Kim and his family in Oklahoma, Wisconsin, Colorado, Illinois and finally back to Oklahoma where he was blessed to spend his final years living in his dream home near his kids and grandkids.

Grandpa Greg will be dearly missed, and we can't wait to see him again. Until then, we know he will be looking down on us with all the same laughs, sighs and smiles we deserve.

Graveside service will be on Saturday, October 10, 2020 at 1:00 pm at St. John Cemetery in Spearville, Kansas. We will be observing social distancing and masks are preferred. In lieu of flowers, memorial donations may be made in Greg's memory to St. Jude Children's

Research Hospital or St. John Catholic Church in Spearville.

“ Greg and I were best friends growing up in Spearville. We rode our bikes around town until the church bells rang which meant it was time to go home for dinner. We stayed over at each other's house and watched scary movies, camped in the back yard and cruised Main Street in high school. As we got older we went to Dodge City to cruise Wyatt Earp and look for chicks. While we were cruising around we found his wife Kim.

After high school we stayed in touch the best we could while I went to college and Greg went custom cutting and vo-tech. As we went our separate ways in our careers we slowly grew apart. We made certain we at least called each other on our birthdays. I kept thinking to myself that I should get together again with Kim and Greg but time ran out. I miss you more than you know buddy. Rest In Peace.

“ Greg and I were best friends growing up in Spearville KS. We rode bikes together until the church bells rang which meant it was time for dinner. We stayed over at each other's house, played games, and camped in the back yard. As we got older we went to the lake but mostly went to Dodge City and cruised Wyatt Earp looking for chicks. While we were cruising we found Kim on 3rd street where she was staying at her aunt's house.

We stayed in touch the best we could after high school and into college and vo-tech. When we went on our different career paths we saw less and less of each other. We made sure we called each other on our birthdays each year. I kept telling myself that I should go visit Greg and Kim but time ran out.

I will miss you my dear friend, more than you know.
