

## Gregory Steven Wylie

August 28, 1957 - December 12, 2020

Gregory Steven Wylie was born August 28, 1957, in Tulsa, Oklahoma, to Maxine and Russell Wylie. He died December 12, 2020, while in Colorado visiting family, at the age of 63. Greg moved to Owasso in the early 1960's and graduated with the Owasso High School Class of 1975. Greg followed his father Russell into homebuilding and soon had a successful career building custom homes throughout the area. Greg was a friendly, caring person known by many around Owasso, but especially in his neighborhood. Whenever it snowed, you need only to follow the sound of the tractor through the neighborhood to find him clearing the streets and driveways. He enjoyed spending time outdoors and doing activities such as sailing, fishing, and skiing. He married his beloved wife Pam in 2000, and then, in addition to his son Nick, he also became a stepfather to her children Joe and Erica. He quickly filled the role of grandpa to Erica's children Macey and Hudson when they were born into the family.

Greg will be missed by all those who knew him. He was always quick to make a joke and enjoyed making people smile, spending time with family, and smoking BBQ. He was preceded in death by his father, Russell Wylie.

Greg leaves behind many people with fond memories of him, including:

Mother; Maxine Sigler, of Owasso, Oklahoma

Son; Nicholas Wylie, of Owasso, Oklahoma

Stepchildren; Erica O'Keefe (Trent), Lafayette, Colorado

Joe McMenamy, Austin, Texas

“ Greg was the fixer. He could figure things out and love the challenge. When I was served with divorce papers he was the first one there to support me. He would call every other day and we would go out to eat. RIP!

“ My memories of Greg take me back to the first time I met him. He was shorter than I was. The next time I saw him, he was more than six inches taller than me. We spent a lot of time at the pizza parlor, roaming around in the canyon, sitting around a lot of camp fires and talking more on the party line than we probably should have. He was always helping all his friends work on their cars. Lots of fond memories that will always have a special place in my heart. I am so sorry for your loss.

“ *Greg was "that guy" who could and would either help you with a household problem himself or be glad to point you in the direction of someone else reliable who could. He always had a ready smile and was great with small children, even those who interrupted his chores asking him to buy something for their school's latest fundraiser... He built our house, too, something that continues to be a source of satisfaction to us. Simply put, Greg was one of the good ones, much beloved by all his neighbors, and we miss you terribly, Greg. Rest in peace.*
