“ After you passed the boys disowned me. Oh I still pay my child support though. Not a deadbeat. Nope I'm no unwanted and unloved but I'm no deadbeat.

Miss you Mom. I got to spend time with the boys...finally got a visit. :)

Jeff - June 22, 2018 at 08:24 PM

The Boys have estranged me. I never got visitation, yet I still pay my child support. I sure miss you. When you died and the boys estranged me I now have no family. Love you mom.

Your grandson's have broken another consecutive ghosting record. Since they have chose to estrange me I will decease them from my trust. Biggest mistake was marrying Elizabeth Gardner and putting my name on Jake and Josh's birth certificate. Wish they didn't exist...wish they were aborted or if they die so what!!!!!!!!!!!!!!

Sure do miss you mom. Seven years ago today was my last day for unconditional love, family...any earthly attachments.

“ 'Sue and I were good friends going to school together, having fun doubling dating. It seemed we always were laughing and having fun just talking and sharing life together. I have so many fond memories of Sue I will always cherish.'

“ *'I started working at Skelly Oil right out of college in 1976. One of the first Skelly employees I encountered was Sue. She was always so nice and friendly and watched out for me. I remember her as being a hard worker and always wanting to do her best in everything. She was a great friend.'*
