“ Hazel LOVED to play SkipBo and never missed a chance to play. One Day Carol Blan and I were at her house playing SkipBo. We frequently came at 10:00 am and played till noon. Before she started falling we would take her to lunch. But on this particular day it was nearing 12-noon. Her phone rang and MaryAnn Reisner was calling to see if Hazel had company and could she come to play SkipBo. Hazel immediately stated, “Well, Karen and Carol are fixing to leave as soon as this game is over—you come on now and play”. That’s the fastest she’s ever sent us on our way, but Hazel wasn’t about to miss another 2 hours of SkipBo with someone else. 🙄🙄. Loved that woman.

“ I have many old memories of Mrs. Fry as she will always be known to me. It's been years since I've lived in Owasso, but she was always the sweetest lady and "neighbor". I still see her house in my mind. My great grandmother lived at 2nd Birch and that is what I called home. Her name is in my baby book, floral cards in many of my family's "memory books". My Grandma and her siblings went to school with her. I wish to send my deepest condolences to the Fry Family~Rhonda O'Banion Rader

“ What a great matriarch of Owasso, not only raised great children but also influenced generations of Owasso people! The Lord certainly blessed many people throughout the many years with the Fry family. May He comfort your all during your time of loss.
