“*Kay, Connie, Dale, & Bill: I Know the loss of Helen has left a hole in your heart at this time, but know that she is now with the ones that she has missed for so long that she loved so much! Helen was such a warm, loving, & caring person who always had such a kind heart - one that worried about everyone. Sometimes she worried more than she should have, but that was Helen. I loved taking Mom to Helen & Bill's as we were always welcomed with outstretched arms. I loved listening to Helen, Mom, & Aunt Ruby talking & telling tales on everyone & each other. "FAMILY" was what it was all about. Know now that she is in God's presence as well as our Family members that have gone on. Keep those precious memories of Helen close @ heart and remember them often. May God keep his loving arms around you & your family during this time & give you the strength to carry on. Love ya all, Janice & Richard '*
