“ *'Precious lady. I have loved using my many painted on tea towels she created for me over the years.\n\nHer phrase
|óΓé¼|ôEeee, Bob!
|óΓé¼|¥ was heard so much growing up with Laura, my own family says it to this day when someone takes a corner too fast or has to slam on their brakes. And of course, one must put their hand on the dashboard while saying it!!'*
