“ I met Brad in high school in Houston. Brad was a great friend. Always quick with a smile or a joke. He had a love of music and we bonded over shared fandom of Billy Joel and other artists. Just an all around great human being who I was proud to call one of my best buddies.

“ I first met Brad when he was all of 4 years old. He was cuter than a bug, and very funny. He loved his children and grandchildren so very much. Brad, you are my friend and I know you're with Jesus. How wonderful!
