“ ‘Our hearts go out to Judy and family. James was a great friend and neighbor, We would always see him and Judy outside, either playing with his grandkids or putting in new plants for their flower beds, also James would be tending to mowing.I liked telling them they had the prettiest yard in the neighborhood. We're going to miss seeing James around. Judy,we're always here for you if you need anything, Dale & Lynn’

“ ‘I think I have to echo what Kim said: James was an amazing guy!
I worked with James on 11 West for many years. We never had to worry when he was on duty as he always had the patient's best interest at heart. He worked his rear off for us and his patients, giving it his "all". When James did have a free minute, we always enjoyed listening to the stories of what the kids or family was up to - it was what he loved - his wife, kids & family.
Thank you for sharing James with us.
See you later old friend! Nancy’
